THE KING AND HIS KINGDOM

In 2024 we will gather on Sunday mornings to read the Gospel of Matthew, seeing how Jesus came to preach the Gospel of the Kingdom. As we read Matthew's gospel together, then Romans and Hebrews, we will explore how Jesus fulfilled the prophesied role of the Messiah to come, reflect on the nature of the Kingdom that He established, and consider our place in that Kingdom.

On Wednesdays we will read a series of inspired epistles which emphasize how our subjection to our King Jesus transforms our relationships with each other, and our relationship to the world, as our lives proclaim that there is another king--Jesus.
